

ACADEMIC OLYMPICS

All of your academic training has paid off!

This year, you have been called up to the big leagues and have been drafted to the <Your Color> team.

**The Academic Olympics obstacle course event will be taking place on
September 7**

Your Mission: To earn as many points for the <your color> team as you can. Points will be awarded for every dollar raised between today and September 15. Points will also be awarded during the event.

The Event: The Academic Olympics will be an obstacle course covering 5 academic topics, English, Math, Science, Current Events and Problem Solving. You will work in teams to complete each station. The more obstacles your team completes, the more points you earn for your color team! Bonus points will be awarded for students dressing in team spirit for their color.

The Goal: To raise funds for our Music, Art and Drama enrichment classes while learning and having fun!

The Payoff: The winning team members will all be receiving a special prize. Plus, each student that receives at least \$10 in sponsorships will also earn the prizes listed on the back of this flier.

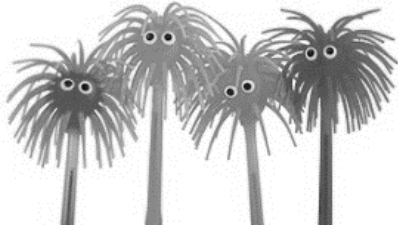

Pinetree needs you. Show us what you're made of!
